

DECLARATION

Product / products: Heat-shrink tubes, type: RTS

Product description: Thin-walled self-extinguishing heat-shrink tubes

Product technical data: Material: cross-linked polyolefine
Working temperature range (°C): -55 ÷ +125
Dielectric strength (kV/mm): 17
Volume resistivity ($\Omega \cdot \text{cm}$): $>10^{15}$
Shrink ratio: 2:1
Inner diameter range (mm): 1,2/0,6 ÷ 50,8/25,4
Colours: black, red, blue, yellow, green, white, transparent

Importer: TRYTYT Sp. z o.o.
ul. Sumpera 9
43-300 Bielsko-Biała
tel. +48-33-8119058
